The applicant identified below ("Applicant") agrees that this completed credit application and all the information contained herein are deemed to have been provided to ALPI USA Inc. ("ALPI"). ALPI may use such information in evaluating this credit application. By applying for credit with ALPI, Applicant agrees that ALPI may investigate or rely on the financial information of Applicant's principal(s), owner(s), partner(s), or officer(s) (each a "Signatory") in making its credit determination. If Applicant is a legal entity (i.e. corporation, limited liability company, or limited liability partnership), an authorized person must sign below on behalf of the Applicant in addition to each principal and owner listed in this credit application. If Applicant is a partnership or a sole proprietorship each principal, owner or partner must sign below. By signing below, each Signatory authorizes ALPI to obtain such Signatory's personal credit information that it may deem appropriate to assess this credit application, including but not limited to consumer reports and credit histories from any source.

Applicant and each Signatory agrees that ALPI may obtain from banks, consumer reporting agencies, financial institutions, merchants, customers or any other person or entity any personal or business information ALPI may deem appropriate related to such Applicant and each Signatory. The Applicant and each Signatory further authorizes and instructs each such person or entity to furnish, share or otherwise make accessible to ALPI any information in their possession with respect to such Applicant or each Signatory. Applicant acknowledges, agrees and understands that ALPI may, in its sole discretion, refuse to extend to Applicant business credit, goods, or services and may terminate such at any time. Any references to a requested amount of credit in this credit application shall not be deemed a limitation of liability by Applicant. Further in the event of Applicant's failure to pay any amounts due, Applicant shall pay to ALPI the cost of all attorney fees, court costs and other collection expenses incurred by ALPI in collecting any amounts due from Applicant.

Personal Guaranty:

If an Account is opened in response to the foregoing application, in consideration of ALPI granting to Applicant the Account, the undersigned guarantor ("Guarantor") hereby unconditionally, absolutely, and irrevocably guarantees the prompt and full payment and performance of all of Applicant's obligations under the agreement establishing the Account (the "Agreement"), and further agrees, in the event of any default under the Agreement, to pay the total balance due on the Account under demand, without requiring ALPI or its assignee to make demand and/or proceed first to enforce the Agreement against Applicant. Guarantor waives presentment, demand, protest and notice of any kind, including but not limited to, notice of any modifications, amendments, or extensions of the Agreement, and of Applicant's nonperformance or breach of the Agreement. The payment obligations of Guarantor are the direct, primary, and continuing obligations of Guarantor and Guarantor's heirs, successors and assigns, and not merely a guaranty of collection. If there is more than one Guarantor, their obligations are joint and several.

By signing below, the Guarantor also agrees, individually and not on behalf of Applicant, that ALPI or its designee may obtain credit reports on Guarantor from credit reporting agencies in connection with the application, continuation of the business credit provided herein, or pursuant to a subsequent application or request, reviewing Applicant's account, and assisting in taking collection activity, and otherwise investigate the credit of Guarantor, and hereby instructs all credit reporting agencies to provide ALPI with such credit reports upon request. Guarantor also agrees to pay all attorney fees and other expenses incurred by ALPI in the enforcement of this guaranty.
