

**WEB CONFERENCE**  
**NOTICE TO THE PROCESSING OF PERSONAL DATA**  
**PURSUANT TO EU REGULATION 679/2016**

For the conduct and management of the Web conferences to which you are invited, the Organizer (as Data Controller) will process your personal data (email address, name and surname, qualification, image, voice) through a dedicated platform which can be:

- ZOOM - <https://zoom.us/privacy>
- SKYPE - <https://privacy.microsoft.com/it-it/privacystatement>
- GOTOMEETING - <https://www.logmeininc.com/it/legal/privacy>
- MICROSOFT TEAMS - <https://privacy.microsoft.com/it-it/privacystatement>
- HANGOUT / MEET - <https://policies.google.com/privacy?hl=it>

Participation in the Web conference is voluntary and your membership has the value of consent to the processing of personal data.

The web conference will not be recorded. If the Organizer or a participant wishes to register the meeting, he must notify the other participants and receive at least verbal consent to the operation by all.

In the case of registration of the Web conference, the latter will be kept for the time strictly necessary for the achievement of the purposes of the meeting or for conservation purposes for the purposes of legal protection.

The information and news collected during the meeting will be confidential and cannot be communicated or disclosed to third parties except for business or legal reasons within the limits allowed.

Participants may disable the webcam for personal reasons upon communication to the other participants.

At any time, each participant can exercise the rights provided by EU regulation 679/2016 by writing to the Organizer of the Web conference.
