REEFER CONSOLIDATION ITALY TO USA

# FOOD & BEVERAGE FACT SHEET

Working closely together, ALPI Naples, ALPI Livorno and ALPI USA, both divisions of Albini & Pitigliani of Prato, Italy, provide tailor-made freight forwarding services via air and ocean from Italy to the USA. Our experienced staff creates customer-driven solutions to suit your business needs.

The expertise  
you need in  
Italy

Food and Beverage shipments require special expertise. ALPI's Naples, Italy staff has extensive experience in the handling of perishable and non-perishable food and beverage products. We are committed to providing our clients with high quality, cost effective solutions.

Our Frozen LCL service from ITALY to NEW YORK gives our customers the option of moving smaller quantities of temperature-controlled products, thereby saving time and money with confidence.

We have two consolidation locations in Italy, ensuring prompt and reliable receipt and transport of your air and ocean export shipments. In addition, we can arrange for pick-up from selected locations in Italy, and offer full logistics, distribution and delivery services within the entire contiguous USA.
